

**EXECUTIVE DIRECTOR / CHIEF EXECUTIVE OFFICER
STATE UNIVERSITIES RETIREMENT SYSTEM OF ILLINOIS
SEARCH REOPENED – AUGUST 2009**

Located in Champaign, IL, the State Universities Retirement System of Illinois (SURS) administers benefits and over \$11B in assets for approximately 200,000 members.

RESPONSIBILITIES:

Reporting to an eleven-member Board of Trustees, the Executive Director/Chief Executive Officer (ED/CEO) directs a staff of 120 through six direct reports, including a Chief Investment Officer. The ED/CEO also serves as the chief governmental/legislation liaison with the General Assembly, its committees, and other governmental entities as necessary.

REQUIREMENTS:

The ideal candidate will possess an advanced degree and progressive management responsibility culminating in a senior management position in a public pension fund, as well as outstanding leadership attributes, excellent communication skills, professional presence and maturity, and sensitivity to issues of managing and funding a public trust fund. The ideal candidate will also have strong people and process management skills, political acumen, strategic agility, and the highest integrity and ethics.

COMPENSATION AND BENEFITS:

Compensation (base salary plus excellent benefits) will be based upon experience, credentials, and personal characteristics of the candidate. Relocation expenses will be negotiated on an individual basis.
