

**Executive Director**

<http://www.mfprsi.org/>

---

The Municipal Fire & Police Retirement System of Iowa (MFPRSI) directs the investment activity and administration of approximately \$2 billion in pension assets for service and disability retirement for fire and police personnel in Iowa's largest cities. Serving as the CEO, the Executive Director reports to a nine-member Board of Trustees and directs a staff of nine. The ideal candidate will possess:

- An advanced degree in business, finance, economics or a related discipline.
- Significant leadership experience in a similar institution, financial services organization or government agency.
- Ability to communicate with and represent Board Members and act as the Board's principal advisor.
- Experience managing external relationships, including serving as legislative liaison and spokesperson.
- Institutional investment knowledge and understanding, including experience actively working with and managing an investment consultant and recommending investment ideas and managers.
