

## **Fiduciary and Investment Counsel**

The Arizona Public Safety Personnel Retirement System (PSPRS) is currently seeking qualified candidates for the position of Fiduciary and Investment Counsel. Located in Phoenix, AZ the PSPRS manages three retirement plans with nearly \$7 billion in assets under management and serves approximately 50 thousand active and retired public safety and correctional facility personnel, judges and elected officials.

Under the policy direction of The PSPRS Board of Trustees and the administrative direction of the Plan Administrator, the Chief Investment Officer (CIO) and the Deputy CIO, the Fiduciary and Investment Counsel is responsible for providing fiduciary advice and counsel to the Board, the Administrator, the Chief Investment Officer (CIO) and the Deputy CIO. Additionally Counsel will be responsible for all of the legal aspects of Board-approved investment relationships including monitoring legal work performed by Board approved external counsel

The Ideal candidate will possess extensive experience in the practice of law related to investment activity preferably with a public pension system. Minimum qualifications include a Juris Doctor degree from an accredited law school, possession of and the ability to maintain a current valid license to practice law in the State of Arizona and 7 years experience in the practice of law related to the duties of the position. To view the position description for Fiduciary and Investment Counsel, please see the "Career Opportunities" section of the PSPRS web site ([www.psprs.com](http://www.psprs.com)).
